

Hood County Petition

We, the undersigned eligible voters of Hood County, Texas, petition the Commissioners Court of Hood County to contract with or employ an outside entity that will fairly and without bias investigate to the full extent the validity of residence provided by Commissioner Dave Eagle as being 2615 Hillside Drive, Granbury, Texas 76048 for the purpose of running for office as Hood County Commissioner, Precinct 4. In addition, we request the above-mentioned Commissioners Court to contract with an alternate County Attorney's office to appoint a County Attorney Pro-tem to oversee and process the investigation through the Hood County 355th District Court before an unbiased visiting District Judge, who will swear out a subpoena for the utility bills of said residence for comparison to other homes of equal size and occupancy to aid in the investigation.

It is our intent that the investigation determine whether Commissioner Dave Eagle actually resided at the address of 2615 Hillside Drive, Granbury, Texas 76048 and met the legal requirements to run for office as Hood County Commissioner Precinct 4. If it is found that a government document was submitted with fraudulent information then we, the citizens, request the court to proceed with prosecution and removal proceedings of any and all parties involved.
